If you have staffers who are filling any of these positions now, please give me their names. If you have people in process, please provide their names and expected EOD. And if you are still recruiting to fill the positions, please give me an estimate of how many you actually expect to fill in this Fiscal Year and when. I would like to have this information as soon as possible.

3. In the future, please give me the names of each person who moves into one of the above positions so that I can ensure that the funds for his/her salaries come out of the Muslim World FAN account.
